# Editorial from the Church of the Good Shepherd

December 2025

## Have you opened your advent calendar yet?

We all know that the advent calendar is the countdown to that big celebration on 25 December. No, not the arrival of Santa Claus! The arrival of the baby who grew into the most special man to have ever been born!

But did you know that 1 December is the beginning of the Christian year? My church diary starts on 1 December, just like your school diary starts in September and every other calendar and diary in the Western world starts on 1 January.

Advent, the beginning of the Christian year, is a time of preparation. We all know about preparations in December - decorations, presents, food and parties yet in some countries it's a time of fasting. A very different sort of preparation than in Western Christian culture.

Advent is also the time of waiting. We are waiting for the promise of God to be fulfilled with the arrival of His son. Any family who has waited for a new baby knows the anticipation, the excitement, maybe some fear and uncertainty in the days and weeks leading up to the big day.

As we count down the days by opening the doors on our advent calendar we eagerly anticipate what is behind that door. It used to be just a pretty picture relating to Christmas - an angel, a Christmas tree or a trumpet. I can remember when it changed to chocolate behind every door and now the adult versions may have beer, gin, skin products, perhaps the keys to a Ferrari (in my dreams). Every day takes us closer to the big day! When a baby arrives life changes for the family.

As you open each door of your advent calendar join me in a quiet word, a thank you to God, because we know we are waiting to celebrate the birth of the man who changed the world forever. The man who brought God's love to the world and set us all free. The baby we wait for every year didn't change just one family's life, he changed every families' lives.

If you want to know more or join with other people waiting and preparing for the arrival of Jesus, please get in touch or come to our church services in December and beyond. We may be waiting for a new vicar but the church is alive and ready to welcome you all.

# Notes from Borough Green Parish Council

ESTABLISHED  
APRIL 1934

The Council met at 7.30pm Monday 3rd November 2025 at the COGS Annexe. Matters raised included:

- **Recreation Ground Pavilion** Roof replacement is complete, just the new cupola and clock to go in now. We hope to start the disabled access ramp shortly, with the main works starting in the Spring.
- **Declaration of Town Status** We have been getting a good response, online, email and lots of paper slips. They will be counted and declared in public at our January meeting, and will inform the Formal Vote by Members.
- **TMBC's Local Plan Reg 18 Consultation** started 10 November until **2 January 2026**, and has been extended to include the Christmas holiday. There will be a series of Public Meetings across the Borough in that period, with Borough Green Village Hall scheduled for **28 November at 7.30**.

## **BOROUGH GREEN GARDEN CITY 59830 2000 HOUSES OUR RED LINE DEMANDS**

- **RELIEF ROAD** It is vital that the Road is built in its entirety before a single house is approved.
- **TRAFFIC** We already suffer horrendous traffic, 20,000 vehicles per day (DfT), driven by over-development.
- **SEWAGE** The new BGGC Sewage System **MUST** pick up the flows from Ightham, Wrotham and North Borough Green that currently use our collapsing 1928 system through the heart of Borough Green and Platt.
- **QUARRYING** We have suffered 150 years of ragstone, sand and clay extraction, brick and block manufacture, and landfill. This government has now reneged on the promise of Restoration, reclassifying it as **GREY BELT**.
- **NATIONAL LANDSCAPES (AONB)** National Landscape law requires Planning Authorities to "Protect and Enhance" not just the NL/AONB, but the views into and out of the NL/AONB. The setting of the AONB is just as important. The views of our North Downs, and the views of our valley from the North Downs, are a crucial rural landscape.
- **LANDFILL - METHANE & SUBSIDENCE** Much of the land within the BGGC is Historic Landfill. We already have three estates built on landfills, they will all suffer from methane and subsidence.
- **CONSULTATION RESPONSES - BGGC quote site number 59830 - 2000 houses**
- Email: [localplan@tmbc.gov.uk](mailto:localplan@tmbc.gov.uk) **Deadline 2 January 2026**

## Tom Tugendhat MP's Column

Until Thursday 2 January 2026 Tonbridge and Malling Borough Council are consulting on its draft Local Plan. This is the document which sets out where houses should be built in our community, until the 2040s.

The task for the Council is so much harder than ever before. That's because the Government have increased the housing target for TMBC by around 34%, instructing our Council to find land for nearly 20,000 new homes across this period. I feel for TMBC who have been given no choice and have pushed back against the Government on these housing targets given the constraints on infrastructure. I did not support these changes in Parliament and have voted against the Government on its planning policy, including the new 'grey belt' definition. When I joined with other MPs to prevent towns and villages being able to merge by protecting the land between them, the Government voted against this.

Grey belt is an especially challenging policy for our area because it effectively takes all land immediately adjacent to towns and villages out of the green belt if it meets the 'golden rules' which most developers say their land is able to.

In our community it means that much of the land of the Borough Green Gardens development has been put forward again. This would still be the largest allocation within the draft Local Plan, although no development would be permitted until a relief road for the A25 is built. It shows why our input into this consultation is especially important now.

It is therefore critical we have our say directly to TMBC before the consultation closes on **2 January 2026**. I have created a dedicated page on my website with all the information, including links on how to respond. You can visit this at [www.tomtugendhat.org.uk/localplan](http://www.tomtugendhat.org.uk/localplan)

Please do share your thoughts with me and, crucially, with the Council too. You can also share your views with me as follows

### TONBRIDGE AND MALLING BOROUGH COUNCIL - LOCAL PLAN

Details of how to see the draft Local Plan and participate in the public consultation online are provided elsewhere in the magazine (page 7 and above). Paper copies of the Local Plan are available at council offices.

Two areas in Borough Green are identified for housing development:-

Borough Green Gardens - from Nepicar roundabout to Dark Hill roundabout to north of village. 2,000 houses in the Local Plan period (up to 2042) with a further 1,000 beyond that.

Land south and west of Tillmans off Crouch Lane - 50 houses.

A further round of consultation is scheduled for July - September 2026 with the final version of the Local Plan due to be submitted to Ministers by 12 December 2026.

## Borough Green Village Hall A Busy Autumn of Progress and Community

It's been all go at the Village Hall this month, with lots of work going on to ensure we remain compliant and continue to uphold the high standards our community deserves.

We're delighted to announce that we've secured grants totalling £1,375 which will help towards replacing the front doors. We have now appointed a contractor and work will start shortly. We have also secured a much larger grant of £8,000 which will enable us to bring forward our plan to modernise the ladies' toilets and create a separate disabled toilet, improving access for all our users.

After a year of exploring every option to find a new home for the short mat bowls left by Borodara, we're pleased to report that they've found the right place. They are now with Spadework, where they'll be used with their dementia group and trainees. It's good to know they'll continue to be enjoyed.

It was lovely to see the Scout Group back at the Village Hall recently as they gathered before their parade to Church on Remembrance Sunday, a reminder of the hall's role at the heart of our village.

As we approach the end of another year for the Village Hall, there's still much work to be done. We're always looking for new committee members who can spare just one evening a month and come along with ideas and enthusiasm. If you'd like to get involved in supporting the hall, we'd love to hear from you.

At our meeting on **8 December** we will have Sleepwalk - a group of talented retired musicians who will play favourite hits from the 1960s - 1980s to get us into festive party spirit.

On **12 January** we will welcome Philip Waite, a retired RAF Police Sergeant who served in the UK and Germany on worldwide RAF operations, a special squadron undertaking royal and ministerial visits, and VIP and ceremonial duties.

We look forward to welcoming existing and new members, and guests (£5). Parking is free for village hall users, so please remember to register your car in the village hall lobby when you arrive.

## Reuse Shop at Allington Household Waste Recycling Centre

This initiative is designed to help residents recycle, donate and bag a bargain. The shop sells good quality, pre-loved items at affordable prices. The range of items goes from furniture and kitchenware through to toys and books. As well as items taken to Allington the shop is stocked with reusable items accepted at several other KCC HWRCs (including Sevenoaks and Swanley). A portion of the profits from the shop will go towards local charities with the rest reinvested into the service to support the expansion of KCC's reuse initiatives across the county.

Residents can book appointments to use the Allington HWRC for recycling, waste disposal and to donate items via

[www.kent.gov.uk/allingtonhwrc](http://www.kent.gov.uk/allingtonhwrc),

## Submission to Kent Friends of Trees Recreation Ground

The recreation ground was purchased in January 1934 for £420 from a local builder. The Memorial Pavilion was built in 1955 with a donation from the Women's Institute and a Government War Memorial Grant. The Woodland Walk was a piece of ancient woodland originally part of the Basted House Estate. Basted House was owned by the Monckton family who also owned Basted Paper Mill just south of the village. Mr Monckton donated the woodland to the parish which is why we have a Monckton Road dedicated in the 1960s. Two foot bridges were built across the Bourne and connecting paths run through the woodland creating a tranquil walk. The trees on the Pavilion side are protected by TPO.

### IGHTHAM & DISTRICT GARDENERS' CLUB

We would like to introduce our club to you. We are a local gardening club who meet once a month in the evening at Ightham village hall. We specialise in talks which are all things gardening.

If you have recently taken up gardening as a hobby, or have a garden with shrubs and flowers and would like some advice on their care, why not come along and meet us. If you are new to the area and would like to meet up with local gardeners, we welcome you.

We are a friendly, sociable club with a wide age span, so you would feel at ease at one of our meetings. We have a question time at the end of our talks, tea and home made cake and a raffle.

Our membership is £15 per year and our meetings are an entertaining evening out, or just come as a visitor. We meet most months with the exception of January and December. We hold very successful seasonal shows with a variety of classes of fruit, vegetables and flowers with domestic and floral classes too, something for everyone.

We advertise each month during the season so keep a look out to see what's on, or contact the club secretary on 0779 900 2129 for more information.
